## NSPCC Number Day – Friday 14<sup>th</sup> February 2025 Real World Maths Competition

Dear Parent/Carer,

On Friday 14<sup>th</sup> February, the whole school will be participating in **NSPCC's Number Day**, a day of celebrating maths and raising money for the national fundraising event. All children will be invited to attend school in their own clothes and make a **£1 contribution** to the charity. This year, the theme is **'Dress up for Digits'**. Pupils are asked to wear an item of clothing with a number represented on it. The number can be represented as digits, words, number of shapes or stripes or any other way you can think of!

By raising money on NSPCC Number Day, we can help to fund their vital services such as Childline – the helpline that's always there for children and young people whatever their problem or concern. Number Day is also a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. There'll be activities taking place in classrooms throughout the day, including TT Rockstars challenges as part of our second **whole school TT Rockstars Competition**, which is **Year Group vs Year Group** and runs from **10<sup>th</sup> until 24<sup>th</sup> February**. We look forward to celebrating NSPCC Number Day with you and sharing all our fun on our X feed [@kensingprimary](https://twitter.com/kensingprimary) using [#NSPCC](https://twitter.com/NSPCC) [#kensingtonmaths](https://twitter.com/kensingtonmaths).

As part of these celebrations, we are holding a **Real World Maths** competition in collaboration with Automated Systems Group LTD. There are some amazing prizes up for grabs! All you need to do is take a picture of your children using their maths skills in any sort of real-life situation. This could be using their counting skills when they go shopping or their measuring skills when baking or even making use of their logic and reasoning skills when playing a board game. The winners will be judged by our maths ambassadors. All pictures can either be given to your child's class teacher or emailed to the school office using [schooladmin@kensingtonprimary.co.uk](mailto:schooladmin@kensingtonprimary.co.uk). The deadline for these is **Monday 3<sup>rd</sup> March 2025**.

We can't wait to celebrate NSPCC Number day with you and to see your competition entries!

Yours Sincerley

# Number

# Day

Celebrate NSPCC Number Day with us by coming to school wearing ANY REPRESENTATION of a number.

This could include:

- Digits
- Words
- Arrays
- Numbers of shapes / stripes

Teachers will be looking out for the person who has impressed them most with the way they wear their numbers.

There'll also be a range of activities taking place throughout the day, including puzzles, quizzes and TT Rockstars challenges!

We ask that you please contribute £1 towards supporting NSPCC.

\*Supported by

Charitable Trust

\*Number Day is supported by Man UK, and Oxford University Press, led by NSPCC.

EVERY CHILDHOOD IS WORTH FIGHTING FOR
