

Kensington Community Primary School Newsletter

3rd February 2025—7th February 2025

Dear parents and carers,

In Monday's assembly we told the story of Chinese New Year. The children were told about the race and how the rat won and that the order that the animals finished the race is the order of Chinese New Year.

Throughout this week we have held stay and read sessions and it has been wonderful to see so many families in school sharing reading with their children in the classroom. It was also good that so many parents from Year 3 and 4 were able to join in the parent workshops. The better your child can read the better opportunities there are as they are growing up.

Year 1 have also had a very exciting week as they have been to Croxteth Park and Farm. The children have been learning about animals and their habitats. They have had chance to handle some of the animals and I know that they have all had a great experience. I am sure this has consolidated their learning about animals.

As you know we have had problems with the kitchen this week which meant that we had to close school. However, we soon found a positive solution and were able to open school today. Hopefully the problems will be sorted soon and we hope to be able to offer hot meals again early next week. Remember that on Monday it will still only be packed lunches.

This week's whole school attendance figure is 94.89%. This is a small dip from the previous week but I'm sure that this coming week will be much improved. Don't forget there are discos this coming week which the children love. Remember please contact school on your first day of absence as soon as possible. Well done to all those children who have been in school, on time, every day this week.

Hope you all have a lovely weekend

Upcoming Dates and Events

Dates to Remember

11/2/25—9:00	Tuesday	Parent Nurture Course
11/2/25—3:15	Tuesday	Reception, Year 1, Year 2 Disco
12/2/25—3:25	Wednesday	Year 3 and Year 4 Disco
13/2/25—3:25	Thursday	Year 5 and Year 6 Disco
14/2/25	Friday	Number Day — Own Uniform
14/2/25	Friday	Break up for half-term
17/2/25—21/2/25	Full Week	School closed for half-term

On Friday 14th February, the whole school will be participating in NSPCC's Number Day, a day of celebrating maths and raising money for the national fundraising event. All children will be invited to attend school in their own clothes and make a £1 contribution to the charity. This year, the theme is 'Dress up for Digits.' Pupils are asked to wear an item of clothing with a number represented on it. The number can be represented as digits, words, number of shapes or stripes or any other way you can think of!

We'd also like to remind you that the 14th is also the last day of the half term — school will be closed for the week starting of the 17th of February and reopening on the 24th of February.
