Dear Parent/Carer

The children will be visiting school Kensington Library on 5th March I will be talking to them explaining what they can find in their local library, how it all works, how to join the library and share a story with them.

Some of the children will be library members. Even if they are they might have lost their library cards. **All** children will be given a brand new card when they visit with their class providing they have returned a completed registration form. Using the library and borrowing books is a fantastic, free way for children to build on their literacy skills and find out information. The enclosed form is for you to complete and return to school by 7th March. School and the library will work together to produce the cards which will be given out to the children in school as soon as possible.

I look forward to meeting the children.

Yours sincerely

Irene Mandelkow
