

Kensington Community Primary School Newsletter

24th February 2025—28th February 2025

Dear Parents and Carers,

This week assemblies focussed on spring and new life. This term we will see the days getting longer and the nights getting lighter. Hopefully the weather will get warmer and we can all enjoy the outdoors a lot more.

On Monday Nursery and Reception had a visit from the fire service as part of their people who help us topic. The children always enjoy hearing about the different parts to a fire officer's job and of course they all got to see the fire truck up close. A very exciting time!

On Wednesday Miss Cant held her second coffee morning for our Arabic speaking families. I hope that this will continue and that we can really build a good relationship as so many of our children speak Arabic and English.

After school on Wednesday church club held another session. I know that the children all really enjoy working with Mark and the other church volunteers. They do lots of different activities which include arts and crafts and physical games.

Today we say goodbye to Mr Griffiths in the office. He has completed his apprenticeship and we are all very proud of how well he has done in the time he has been in our school. We wish him the best of luck in finding a job we are sure that it will not be to long before he finds a new one.

This half term, pupils from Reception to Year 6 will receive RSE lessons as part of their PSHE education. Prior to teaching these lessons, we are holding an information session to allow parents and carers to view the resources we will use and talk to class teachers about the lessons. This is an excellent opportunity to ask any questions about the topics or lessons. The information session will take place in the school hall on Wednesday 5th March at 3:30pm and will end at 4:30pm. All families are welcome and encouraged to attend.

Last half term I sent out a parent and carer questionnaire on ParentApp unfortunately, only 35 parents completed the questionnaire so I have asked for it to be sent out to you again and the company will keep the link live for another week. This is a really important way of us finding out what you like about our school and what you feel could be looked at to improve. Please can you complete the survey we have over 300 families so I would love it if more families could respond.

This week's whole school attendance figure is 95.43%. This is a big improvement from the week before half term. I hope that we can continue to try to ensure the children are in school as much as possible.

Remember please contact school on your first day of absence as soon as possible. Well done to all those children who have been in school, on time, every day this week.

Have a lovely weekend

Mrs. K. Davies
