

Kensington Community Primary School Newsletter

3rd March 2025—7th March 2025

Dear Parents and Carers,

This week has been all about books and reading.

On Monday the poet Joseph Roberts came into school and worked with all the children on poetry. He was very inspirational and the children could really relate to his work. Joseph has enjoyed working with our school so much that he has become our reading champion. He hopes he can inspire the children to see how important words are to help them express themselves.

On Wednesday after school Miss Cleary held our annual RSE information evening. Thank you for all those parents that attended and asked those questions that would help them to understand what the children will be learning about this year. All the information is still available on the school website for you to look at and if you need to please don't hesitate to ask your class teacher about what they are doing.

On Thursday our girls football team were invited to an all-girls tournament, at Liverpool Academy in Kirby, in celebration of international women's day which is this Saturday. The girls were fantastic and impressed the staff by being good sports and showing a high level of skill. Fantastic news the girls won and came home with the trophy. Another win for them this season. Well done girls.

Thursday was also World Book Day and the children had the opportunity to dress up as their hero or as someone they aspire to be. We had a wide range of different characters but some of my favourites were those that dressed up as their parents or family members. Well done for entering into the spirit of the event.

Today the Nursery went to Kensington Library to see a short literary performance. There were two performances one for the morning and one for the afternoon. I know that the children have enjoyed this so much and going to the Library is always fun.

This week's whole school attendance figure is 95.67%. This is a slight improvement from last week. I hope that we can continue to try to ensure the children are in school as much as possible. Remember please contact school on your first day of absence as soon as possible. Well done to all those children who have been in school, on time, every day this week.

Have a lovely weekend
