

Kensington Community Primary School Newsletter

24th March 2025—28th March 2025

Dear parents and carers,

This week our assemblies focused on British values. The children learned about the four main British values which are democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs. The children learned why they are important and how those values can help us all.

On Tuesday the Smile Squad was in school. The dental professionals spoke to all the children about the importance of brushing your teeth regularly and the damage that can happen when you don't follow some basic guidelines. A lot of the children had their teeth checked and received a special fluoride coating for their teeth. Good oral hygiene is a city priority and we all need to do our bit. I found out this week that dental procedures are the biggest reason for admission to Alder Hey so it is really important we get our children to brush their teeth properly.

It was also on Tuesday that the school food matters team started to work with the year three children. They are looking to grow vegetables in school and then sell them in Liverpool one to the public. I am looking forward to seeing the results of their hard work. Keep up the watering year 3.

On Thursday we had parents evening and it was really lovely to see so many of you. I know that many of you were so very proud of the work that your children have completed. I hope that if anyone had any issues or problems that you were able to speak to the class teacher to sort things out and ensure that your child or children are enjoying their time in school.

This week's whole school attendance figure is 94.42%. This is a significant dip from last week which is really disappointing. I hope that with all the lovely things we have planned for next week that we will have excellent attendance.

Remember please contact school on your first day of absence as soon as possible. Well done to all those children who have been in school, on time, every day this week.

Have a lovely weekend

Mrs. K. Davies
