

# Kensington Community Primary School Newsletter

31st March 2025— 4th April 2025

Dear Parents and Carers,

Well, it has been a very busy and exciting end to the term.

On Monday many of our children celebrated Eid at home with their families. It is a very special time in the Muslim calendar and we wish all our families Eid Mubarak. For the first time we celebrated as a school and we had an Eid party in school. The children all enjoyed the fun and many children got a chance to try dates which are a traditional way of breaking the fast.

In Key Stage 2 assembly on Monday the Police came in to give an online safety talk. Our children are exposed to a large amount of content online and need to be aware of the damage that some of this content can do. Please ensure that all the correct parental controls are on your children's devices and that you check the history and supervise your children when they are online.

All week we have been inviting parents into school to enjoy stay and puzzle with their children. It has been really well attended and we know that this encourages children to be resilient when approaching maths tasks and puzzles that they may face in the curriculum.

On Tuesday It was the Easter Bonnet Parade for Early Years and Key Stage 1. We were all very impressed with the children's efforts. It is lovely that this tradition has continued in our school even though we have many people from different cultures who now attend our school.

On Wednesday the children from Key Stage 2 brought in their decorated eggs and they were judged for the most original and the best effort by a child. We had some really great entries this year which you can look at on our website.

The Key Stage two children started their fundraising activity this week and they have produced Rice Krispie cakes to be sold and they have done a sponsored walk from Kensington Primary School to Kensington Palace.

Today it has been Joga's got Talent. This is a fantastic afternoon where our children showcase their talents. The children practise their acts with the support of Mr Chubcock so that they are ready to perform on the day. Well done to all the children who have taken part. The whole school was very entertained.

This week's whole school attendance figure is 86.19%. This is a significantly less than previous weeks due to having Eid this week. However, the rest of the days we have had good attendance so thank you to all those families who kept bringing their children in each and every day. Remember please contact school on your first day of absence as soon as possible. Well done to all those children who have been in school, on time, every day this week.

Have a lovely spring break and I will see you all on the 22<sup>nd</sup> of April the day after Easter Monday.
