

Kensington Community Primary School Newsletter

19th May 2025—23rd May 2025

Dear Parents and Carers,

What a lovely sunny end to the term. The weather has been great and the children have enjoyed playing out at play and enquiry times.

This week Asylum link took assemblies and workshops with the children. They explained some of the reasons why people become asylum seekers and why they have to seek sanctuary in our country. The children enjoyed the sessions and many of the children shared their journeys to the safety of our city and school.

This week 4C went to the Anglican Cathedral to look at the stained-glass window that are in this beautiful building. The children really got involved with the tour asking many questions and I know that the other year 4 classes are looking forward to their trip after the holiday.

On Wednesday the Nursery visited the Big Art Gallery at the Walker Art Gallery. The children were developing their gross motor skills and developing their understanding of pattern. This was the first school trip for many of the children and they were very excited about the whole experience. Well done, Nursery.

Year 5 and 6 both took part in Primary Inspirations this week year 5 looked at creating hats and year 6 were designing and creating sandals. The children learn to be part of a team to create a product and this has made a lot of the children use skills that they haven't thought about before. We hope that these experiences will inspire them to think about what they may like to do when they are older.

Year 2 have been to Ainsdale beach and didn't they pick the perfect week. The children went to the beach to support their geography topic where they are looking at human and physical geographical features. This was a super trip and all the children have enjoyed it very much.

This week's whole school attendance figure is 94.6%. This is a slight drop on previous weeks and I really hope that after half term we begin to improve again. Remember please contact school on your first day of absence as soon as possible. Well done to all those children who have been in school, on time, every day this week.

We hope that you all enjoy the half term break and are back and raring to go on Monday 2nd June at 8.50am
