June 2025

Reception and Year 1 Sports Day

Dear Parent/Carer,

On Tuesday 17th June our combined Reception and Year 1 sports day will take place during the morning and will begin at approximately 9:30. The children will be split across 15 teams mixed with both year groups. Children will be showcasing their sporting skills in a variety of activities at stations around the KS2 yard trying to accumulate as many points for their team as possible. In the cage on the KS2 yard; individual races of different kinds will take place. Please note the winning team of sports day will be announced during assembly, once all our sports days across all phases are complete.

We welcome parents to come and support their children, however we would like to ask that if you attend that you do not pass the cordoned off area. Please be aware, in the event that it rains, the sports day will take place indoors meaning parents would not be able to attend. Let's cross our fingers for some lovely weather!

Yours Sincerely,

Mr Ashley and Mr Chubbock
