

# Kensington Community Primary School Newsletter

16th June 2025– 20th June 2025

Dear Parents and Carers,

This week can only be described as a scorcher!!! The children have really tried to keep as cool as they can but boy it's been hot in school this week.

I would like to start by talking about the Year 6 trip to London last week. It was a fabulous trip and the children represented our school in such a fantastic way. It was very hot when we were down there but the children didn't moan once. I think that they enjoyed their time and saw so many things that they normally only see on the TV we even saw Tower Bridge open which is a first for our trip. Well done to all of the children who went to London and thank you for all being so lovely.

This week Year three have been to Norton Priory to learn all about bees as part of their science topic. The children were exemplary and this was confirmed by the staff at Norton Priory making a special effort to tell the staff how amazing the children had been. This trip had been developed as a bespoke trip just for our children. They managed to show just how knowledgeable they were about bees and the workshop leaders were very impressed with the excellent vocabulary that was being used by the children.

On Wednesday the Reception and Year 1 children took part in their sports day. We would like to say a big thank you to the parents who came along to cheer on the children as they took part. It was a great day and a good time was had by all.

On Thursday we held new Reception parent's meetings. It was a lovely to be able to talk about our school and share all the lovely things that the children will get to experience in our school. I know that you will make all the new parents feel welcome when they arrive in September.

Today it was the final of the Joga Bonito football competition the teams that got to the final were England and Bahrain. It was a very hard-fought game and all the children were supported by their friends. The winners were Bahrain. Well done to all the children who took part.

This week's whole school attendance figure is 94.94%. This is lower than last week which is disappointing. I hope that attendance will get better over the coming weeks as there are so many nice things happening in the next couple of weeks. Remember please contact school on your first day of absence as soon as possible. Well done to all those children who have been in school, on time, every day this week.

Have a great weekend.
