

Kensington Community Primary School Newsletter

30th June 2025– 4th July 2025

Dear Parents and Carers,

This week the children got to find out who their teachers are going to be next year. As a school we feel that a good transition is such an important part of school. The children spent time in their new classrooms and with their new teachers and teaching assistants. We are sure that the children will feel more settled leading to a happy start to September when they return.

On Wednesday our Year 6 children visited their new schools. Our children go to many different schools across the city. I know that they enjoyed their time meeting the teachers and getting started on their secondary school experience.

This week we said goodbye to our trainee teachers, they have been a really great group and they have helped the children's learning improve. Having another teacher in the class can only be a good thing. We wish them all well as they become full-time class teachers next year.

On Tuesday Years 5 and 6 had a talk by Tony from Kyndryl. This is a new computer company who have just set up in Liverpool. They came to tell the children about all the different jobs they could do in computing and what qualifications would help them to get into computing work. They also looked at AI and how that can be used and there were some very funny AI avatars of the teachers that the children were shown.

This week's whole school attendance figure is 93.46%. This is lower than last week which is disappointing. I hope that attendance will get better as there are so many nice things happening in the last week and a half. Remember please contact school on your first day of absence as soon as possible. Well done to all those children who have been in school, on time, every day this week.

Have a lovely weekend

Mrs. K. Davies
