

Kensington Community Primary School Newsletter

2nd September 2025– 5th September 2025

Dear Parents and Carers,

Welcome back!

We know that returning to school is an important moment for every child and family, and we want to reassure you that our school is a safe and welcoming place for all. All school activities follow strict safeguarding principles and our values of kindness, respect and inclusion guide everything we do.

If you or your child experience any issues related to safety in or around school, please let us know straight away. We will make sure this is recorded and shared with the relevant services if needed.

We also want to remind families of the support available across Liverpool for those who may need extra help. If you would like more information, please speak to a member of staff.

Our school is determined to be a place of sanctuary, where we celebrate and support pupils and families from different backgrounds. We will continue to create opportunities for children to learn about compassion and community, and to stand together for fairness and inclusion.

This week all the classes have focussed on the pastoral side of school, getting back into routines and understanding clearly the expectations inside and outside the classroom. It has been a time where they could get to know their new teachers and teaching assistants and to remember some of the things they may have forgotten over the summer.

It has been lovely to see all the children wearing their school uniform. The uniform we have is worn so that the children feel part of our community, a clear identity to show they belong. Remember there is preloved uniform available for those families who want it, please take advantage of the lower prices.

Children should be attending school every day unless they are ill or have an emergency appointment. No holidays will be authorised. We sent out term dates last term to ensure that they were available for any parents wanting to book their holidays so that no school would be missed. We have so many exciting things happening in school throughout the year and we would not want anyone to miss out.

If your child is going to be absent from school for any reason, please contact school either before the absence or on the day of a sickness absence. The government and the local authority have a clear focus that they want school attendance to improve and we will be working with you to ensure that our children's attendance will be as good if not better than other schools in the country.

I hope that you all have a lovely weekend and we will see all your children in school, on time on Monday.

Mrs K Davies
