

Kensington Community Primary School Newsletter

29th September 2025– 3rd October 2025

Dear Parents and carers,

This week in our assemblies we looked at all four of our school values that we want our children to be – kind, proud, collaborative and successful. It is really important that the children get to see the different ways in which we can be each value.

In school we have lots of support available for different groups of children. As it is still very early on in the school year I wanted to remind any parents whose children are acting as carers for them that if you contact school on schooladmin@kensingtonprimary.co.uk we would look to support you in any way we can.

On Thursday it was National Poetry Day and we were lucky enough to get Joseph Roberts “The Liverpool Poet” to come and spend the day in our school. Joseph was able to work with all the different age groups looking at the importance of poetry and performing his interesting and humorous poems. The children really enjoyed working with him and had the chance to really think about poetry and how to write poems.

A little reminder:

Safeguarding is a very important function for our school and we would ask that parents help us to safeguard our children. Parents must not take photos or videos of children through the school railings at any time, during breaks, dinner time or after school clubs. If we suspect that a parent is doing this they will be approached and reminded that this is not appropriate.

This week’s whole school attendance figure is 96.53%. This is a significant improvement from last week which continues to be encouraging however once again Friday attendance seems to be a real issue so we hope that this improves significantly for the future. Remember if your child is not going to be in school you must contact school to inform of us of the reason, you may be asked to provide evidence to support this absence.

Have a great weekend

Mrs Davies
