Dear Parents/Carers,

We have been made aware that several titles in the Spy Dogs, Spy Pups and Spy Cat series by Andrew Cope contain a weblink at the back of the book that no longer directs people to information about the books. Instead, the link has been compromised and now leads to inappropriate and unsafe material, containing pornographic content with no age restrictions.

We have removed copies of the book from our school library and classroom book corners.

Below are images of some of the front covers in the series to help you identify the books should you have any at home. We advise that you remove the link from the back of the books.

Yours sincerely

Mrs. K. Davies.
