

Kensington Community Primary School Newsletter

13th October 2025– 17th October 2025

Dear Parents and Carers,

This week's Monday assembly we held altogether as we gave out the Pupil Panel, Maths Ambassador and Reading Ambassador badges. Last week the children were able to vote for who they wanted to represent them in these roles. This was important as it gave the children an understanding of democratic processes which are key to life in Britain. Those children that were chosen by their classmates were so very proud and I can tell that they are very keen to do the best job they can. Well done to all those who were successful.

On Wednesday it was 3JB's trip to the palm house to learn all about the plants and the functions of the different parts of the plants. Mr Bailey was pleased with the children and how they engaged with the lady who took the session. A lovely learning experience.

Year 5 had a visit from Chris and Mollie from the University of Liverpool. The session was called Pass the Galactic Parcel and it was a workshop designed to support the children's understanding of space which is their topic for science. It was very interactive and the children even got the opportunity to be a planet. Mrs Willshire felt that the children really developed their understanding of the topic Space.

Both the girls and the boys football season is underway and the children have shown that they are developing as a team some of the children have not played competitively for the school before and are really enjoying the challenge. I will keep you up to date with how they do over the season.

This week's whole school attendance figure is 95.64%. This is a small increase from last week which is great, I hope that we can maintain this for the last week of term. Remember if your child is not going to be in school you must contact school to inform of us of the reason, you may be asked to provide evidence to support this absence.

Over half term our pay system will be changing over to Arbor so please look out for a notification for you to set up your new account. Thank you for your assistance with this; any issues please contact school.

Hope you all have a great weekend

Mrs K Davies
