

Kensington Community Primary School Newsletter

4th November 2025– 7th November 2025

Dear Parents and Carers,

This was a slightly shorter week due to staff training on Monday.

On Tuesday Year 5 completed Primary Inspirations. The children were designing their own chocolates and the packaging to go with them. They then tested their presentation skills and showed what they had designed to the rest of the year group.

On Tuesday year 6 attended Spooky Science at the University of Liverpool. The children had 4 different activities to complete all with a spooky theme. The children really loved doing these experiments and using the microscopes to investigate.

This morning Bully Busters came in and delivered a whole school assembly to all the children. It was good that the children were able to listen to the ladies from Bully Busters in preparation for Anti Bullying week next week. They discussed what bullying is and that it is different from just falling out with your friends which can of course happen. Children will work on lots of activities next week to support their understanding and help us to stop Bullying behaviours in our school.

This week's whole school attendance figure is 94.74%. This is a small decrease from the week before half term, I hope that we can improve this for the next week. Remember if your child is not going to be in school you must contact school to inform of us of the reason, you may be asked to provide evidence to support this absence.

Thank you to parents for filling in leave of absence forms but you must put accurate and detailed information on these forms so that I can look if I am able to authorise absences under the government's guidance.

Have a great weekend
