

# Kensington Community Primary School Newsletter

17th October 2025– 21st November 2025

Dear Parents and Carers,

I hope this newsletter finds you all well and keeping warm in this sharp, cold snap.

This week both the smile squad and tiny teeth were in to support our children with looking after their teeth. It is so important that children brush their teeth twice a day ensuring that they do it in the correct way. I'm sure you all want them to have their wonderful smiles until late in their adulthood.

On Wednesday it was parents evening and we were so pleased to see so many of you. I have felt so proud of the children so far this term as they have managed to make good progress and their writing is particularly improving across the school. I hope that you enjoyed talking to the teachers about your children and seeing their wonderful work.

Thursday was a very busy day, Year 6 had Primary Inspirations and they all took part in an activity which involved making their own newspaper. They had to make several editing decisions and think like journalists.

4T went on their trip to Chester to learn all about the Romans. It was very cold but the children were following the instructions of the Roman soldier and walking the Roman walls. Well done 4T.

Reception had Altru drama in to work on traditional tales with them. The children were very enthusiastic and showed that they had learned a lot about the features of a traditional tale.

This week's whole school attendance figure is 94.68%. This is a small increase from the week before, I hope that we can improve this for the next week. Remember if your child is not going to be in school you must contact school to inform of us of the reason, you may be asked to provide evidence to support this absence. Please ensure that if any of your family is booking a holiday or a trip away, which includes your children, that they go on our website and check the term dates so that they do not miss any school or incur a fine.

Have a lovely weekend.
