

# Kensington Community Primary School Newsletter

12th January 2026– 16th January 2026

Dear Parents and Carers,

This week in assemblies we focussed on new year, new start. The children listened to stories and thought about resolutions for the coming year. I think that this had a positive impact on the children as this week the children have been really focussed on their tasks, well done.

On Tuesday year 6 has a wow visitor to talk to them about Evolution. Jackson from As Creatives worked with each of the classes and the children stayed on task for the whole time. The children showed a real interest in the topic and we hope that this will help them to widen their knowledge and spark their interest.

On Thursday night after school some of the children from year 5 and 6 went to Kingsley school to play in a dodgeball league. They had missed results winning one game and losing one game. But it was a very positive start. Keep trying hard Dodgeballers.

This week I would like to remind parents that children should not be bringing their own snack in to school. We are a healthy school and provide snack for the children which falls within the healthy school remit. Some children from Key Stage 2 have been going to the shop on the way to school and then eating what they have bought out on the yard at playtime. This is not acceptable and will be stopped. Children will have any food taken from them and it will be returned at the end of the day.

This week's whole school attendance figure is 94.79%. This is very slightly up from last week which is good news. Can I remind all parents that children should not be taken out of school to visit family in different parts of the country or the world. This would be considered a holiday and fixed penalty fines may be issued.

Remember if your child is not going to be in school you must contact school to inform of us of the reason, you may be asked to provide evidence to support this absence.

Have a great weekend.
