

# Kensington Community Primary School Newsletter

26th January 2026– 30th January 2026

Dear Parents and Carers,

This week's assemblies were all about positivity and the power of positive thought. We discussed how having a positive outlook on things will have a positive impact on how you deal with a situation and how it can affect your mood. We hope that all children will try with a positive thought at least once a day.

After assembly Mrs Berry met with the Pupil Panel to discuss how the children could fundraise for their chosen charity this year. Mrs Berry said that they came up with a vast array of different ideas and now they need to choose which they feel with help them raise the most.

On Thursday year one visited Eureka. The children looked at everyday materials and classifying and grouping properties. They were all very excited for the trip and really enjoyed the hands-on experiences. I know that the teachers were very proud of the children and the learning behaviours they displayed.

Parent's are reminded to log in to the Arbor app to see their children's clubs and upcoming trips, this is also where all parents now need to consent for educational visits.

This week I would like to again remind parents the importance of wearing our school uniform. Our uniform demonstrates that children are part of our school and that they belong. The uniform is very flexible and has many different options available and we do not insist that you have a jumper with a badge. All children will be expected to wear a uniform when they go to secondary school and therefore it is good to get them into the habit of wearing it. Also please do not wear sports clothes to school on a PE day, wear your uniform and change into a PE kit. Shorts and T-shirt are the required PE kit.

This week's whole school attendance figure is 94.34%. This is very slightly up from last week. Remember if your child is not going to be in school you must contact school to inform of us of the reason, you may be asked to provide evidence to support this absence. We also remind you that school starts at 8.50am and classroom doors close at 9.05am.

Have a lovely weekend

Mrs Davies
