

# Kensington Community Primary School Newsletter

2nd February 2026– 6th February 2026

Dear Parents and Carers,

This week's assemblies were focussed on kindness and being kind to those who are different and learning to be proud of our differences. Our children are very kind most of the time and many children are already on the kindness tree, I'm sure more will go on there before the kindness assembly next term.

On Tuesday year 5 took part in primary inspirations. This is the second of three projects that they will work on this year. This time they were café owners and they had to produce a healthy menu and promote it to the other groups. The children showed that they had a good understanding of what makes a healthy choice for food and used some persuasive language to describe their café.

On Thursday it was the turn of Year 6 to take on a challenge with Primary Inspirations. They were looking at bands. They created a rap and designed some band merchandise. The children were able to celebrate each group and their hard work at the end which was really great.

EYFS had a special visitor on Thursday, PC Maher came into visit the children and talk to them all about the different ways that the police help us. They talked about how they work in the community and how they help to keep it safe for us all to enjoy. The children enjoyed trying on the high vis jackets and pretending to be a PC.

Today we have had number day where we encourage the children to celebrate their understanding of numbers. Our children have been trying really hard to get involved in practical maths problems and show how much learning has taken place this year already.

In today's assembly the winners of the Reading in Strange places competition were announced. The competition was sponsored by CER, an education company and the children were all so pleased to have won their lovely prizes.

This week's whole school attendance figure is 94.3%. This is the same as last week which is ok but we need to try to be improving our attendance from week to week. Remember if your child is not going to be in school you must contact school to inform of us of the reason, you may be asked to provide evidence to support this absence.

Have a lovely weekend.
