

# Kensington Community Primary School Newsletter

9th February 2026– 13th February 2026

Dear Parents and Carers,

This week we had assemblies from Merseyside Fire and Rescue Service on road safety. The children all listened very carefully to the important messages that were shared. In the summer term they will be returning to do another assembly but on water safety.

The children have all enjoyed the discos this week. A big thank you to the PCTA for all their organisation and a special thanks to Mrs Roberts who sorted all the ticket money and bought all the snacks.

This week it is National Children's Mental Health week and all the children have had PSHE lessons to focus on issues where mental health can be affected such as friendships and bullying. We have been encouraging the children to talk to adults if they feel anxious or if something is worrying them. If the children do not share their feeling this is how it can affect their mental health.

Today the Chinese Lion Dancers came into school and put on a loud and exciting show. There was lettuce flying and hopefully they will have wished our school all the good luck we need for the coming year. If you would like to see the Lion Dancers you will be able to see them dancing in China town this Sunday.

I have received a complaint about smoking directly outside the school gate. It was pointed out to me that the children and parents have to walk through a cloud of smoke to get through the gate which is not very pleasant. Also, as the school tries to educate the children on a healthy lifestyle this being right outside the school gate it sends our children mixed messages. I would ask those parents who do smoke to move away from right outside the school gate before they light up.

This week's whole school attendance figure is 94.84%. This is a little better than last week which is really good. Please ensure that you check the school's term dates before booking any holidays as no holidays will be authorised and penalty fine will be issued. The term dates can be found on the school website.

Remember if your child is not going to be in school you must contact school to inform of us of the reason, you may be asked to provide evidence to support this absence.

I hope you all have a lovely half term holiday and we will see you at 8.50am on Monday 23<sup>rd</sup> February.
