

Kensington Community Primary School Newsletter

2nd March 2026– 6th March 2026

Dear Parents and Carers,

On Monday we picked up our incubator and eggs from Acorn Farm. We are really hoping that this year we will hatch several chicks. In three weeks, we should start to see them hatch. Keep an eye out for any news.

On Monday Joseph Roberts came to our school again. This time he was celebrating the importance of reading for pleasure. It was lovely to see the children enjoying books with him. Check out his Instagram post about his visit.

Monday was also the day that morning and afternoon nursery visited Kensington Library. I hope that they enjoyed the experience and that they pester parents to visit again.

All week the children from year 5 have been taking part in Bikeability. This is such a good scheme where children get the opportunity to be trained to become safe cyclists. The children go out with trained instructors in small groups and learn how to cycle safely on the roads.

On Wednesday we hosted a book reading by the renowned author Frank Cottrell Boyce the UK Children's Laureate 2024-2026. Frank came to school and read from his book *The Blockbusters*. Frank spoke to the children and shared his experiences of things like meeting the Queen and writing episodes of Doctor Who. The children asked some interesting questions and he signed his book for those who had bought a copy.

On Thursday it was world book day and our theme was based on the book *Crazy Hair Day*. So many people had put such a lot of effort into joining in with the celebrations and the parade in the afternoon allowed all the children to share their creative and crazy hair styles. Well done to all those who took part.

Today Reception Year 1 and Year 2 went to visit the library. The children enjoyed their time sharing books and looking at the fabulous choice that was available. I think that it was a perfect end to our world book week celebrations.

This week's whole school attendance figure is 94.08%. This is disappointing, hopefully next week it will be much improved. Please ensure that you check the school's term dates before booking any holidays as no holidays will be authorised and penalty fine will be issued. The term dates can be found on the school website.

Have a great weekend
