

Kensington Community Primary School Newsletter

9th March 2026– 13th March 2026

Dear Parents and Carers,

This week it is British Science Week and to celebrate we had several scientists visit school during Monday's assembly. There were four visitors in Key Stage 2 assembly and three in Key stage 1. Our visitors talked about the types of science they do and what they do as scientists. It was very enjoyable to listen to the different things that they get to do on a daily basis. I know that they hope to have inspired the next generation of scientists.

Bikeability are continuing to work with our year 5 children developing there cycling skills. We hope that by Easter most of the Year 5 children will have had the opportunity to take part.

Throughout the week we have been holding stay and science sessions so that parents could come and enjoy doing science with their children. Thank you to all those families that took part and were able to do a different and exciting activity with their children to celebrate science week.

On Wednesday it was parent's evening and it was so lovely to see so many parents coming to see their children's work. The children work so hard in school and look forward to when their parents can see how well they are doing. I hope that you continue to support your children to achieve in our school.

As most parents are aware there was a hoax threat to schools in Liverpool this week. I must reiterate that there was no direct threat to our school and that the police believe that this hoax posed no credible threat to the children. Thank you to all those parents who supported the school to ensure that the children continued to attend school and feel safe. To uplevel our safety measures we have decided to close the entrance on Jubilee Drive so that you will no longer be able to enter or leave the school this way. I have also decided that the outdoor toilets (KS2) will not be open before school and will only be open once the school gates have been shut. This measure will be in place from Monday 16th March thank you for your co-operation and understanding in this matter.

This week's whole school attendance figure is 91.63%. This a significant drop compared to last week and disappointing, hopefully next week it will be much improved. Please ensure that you check the school's term dates before booking any holidays as no holidays will be authorised and penalty fine will be issued. The term dates can be found on the school website.

Have a lovely weekend.

Mrs. K. Davies
