16th March 2026

Dear Parents/Carers,

As many of you know it has been Ramadan for the last few weeks and we thought that it would be really good if we could share in the celebrations once Eid arrives and we are therefore having a special menu on Monday 23rd March and having small class parties where children can bring in some treats from home. School will provide drink and date slice, dates are a traditional food used to break fasting.

Children will be allowed to bring in their favourite snacks for party food. We hope you will all join in celebrating the diverse nature of our school.

If your child chooses to have the special menu on Monday 23rd March the usual £2.20 charge applies in KS2 unless they are entitled to free school meals and this can be paid via your arbor account.

Yours sincerely

Mrs. K. Davies
