13TH APRIL - 17TH APRIL 2026

Dear Parents and Carers,

Welcome Back, I hope you all had a lovely spring break and enjoyed spending time with your children.

On Monday assembly focussed on after school clubs. We wanted the children to think very carefully about the different clubs that we have on offer and to go into detail about what would happen in each of those. We are trying to encourage the children to choose something that might challenge their thinking or their physical development. We also explained that they would need all parents to download Arbor so that they could sign up for clubs and which day their clubs would become available. This system although it had some teething problems seems to be working well. Thank you for being patient with us whilst we introduce this new system.

On Tuesday Year 3 had an assembly to introduce them to The Young Marketeers Project. This project will involve the children planting and cultivating vegetables and then eventually selling their produce at market in Liverpool. We have taken part in this project before and the children were really good at gardening and even better at the selling to the public. I can't wait to see what happens this year.

On Thursday it was photograph day. Thank you for the children being so sensible finding their brothers and sisters for their sibling photograph and a massive thank you to Mrs Roberts one of our governors and all the Teaching Assistants for helping the day to run smoothly. Any children who missed the day due to absence don't worry as there will be a catch-up day soon.

This week's whole school attendance figure is 93.27%. This is so much better than last week. I am sure it will continue to improve over this summer term. Please ensure that you check the school's term dates before booking any holidays as no holidays will be authorised and penalty fines will be issued. The term dates can be found on the school website.

Have a great weekend
