27TH APRIL - 1ST MAY 2026

Dear Parents and Carers,

This week's assemblies focussed on being proud of your differences and being successful dealing with your fears. The children listened attentively to the story and were thoughtful in their responses to questions.

Across this week year 2 have had the archaeologist Dr John in to talk to the children about the stone age and neolithic Britain. Dr John brought lots of artefacts to share with the children and they focussed on being hunter gatherers.

This week the Girls started their summer football league for the year 3 and 4 girls. They made a great start by winning their first match against Kingsley school. Well done girls keep up the hard work and the practising.

I have previously written about the importance of wearing school uniform unfortunately this has started to slip again. I have explained that those that do not wear their own uniform and do not have an adjustment in place will be given uniform to wear when they are in school. If you are struggling to get uniform for your child then please come into school and we will support you with some pre-loved items.

This week's whole school attendance figure is 94.57%. This is a big improvement from last week so I feel very proud of the children trying their very best to come into school every day. Please ensure that you check the school's term dates before booking any holidays as no holidays will be authorised and penalty fines will be issued. The term dates can be found on the school website.

Have a lovely bank holiday weekend, see you Tuesday.
