

# KENSINGTON COMMUNITY PRIMARY SCHOOL NEWSLETTER

5<sup>TH</sup> MAY - 8<sup>TH</sup> MAY 2026

Dear Parents and Carers,

It is only a very short week this week with the bank holiday which, we all hoped you enjoyed together.

On Tuesday the University of Liverpool came in to work with year four. The focus for this was art in maths. The children learned about tessellation and patterns in maths. They really enjoyed investigating how to tessellate and ensure there were no gaps in their patterns.

I have been asked by members of staff to remind parents that all scooters and bikes should be dismantled before entering the school grounds. We have had several near misses recently and it would be devastating if a child was hurt because a simple rule was not followed. I want to thank you in advance for your support in this matter.

Next week the year 6 children will be sitting their SATs and therefore the rest of the school will be expected to be as calm and quiet as possible to give the year 6 children the best chance of doing well. We wish all of the children the best of luck we know that they will do their very best.

This week I have had to deal with a particularly difficult online issue with some children from our school. I would like to take this opportunity to remind parents that most social media platforms are for children and adults over the age of 13. In school we give very clear safety messages to the children but if they are not supervised closely by parents, things can get out of hand very quickly. I want to ask all parents to regularly check their children when they are going online and ensure that they are not being exposed to potentially dangerous content.

This week's whole school attendance figure is 94.74%. This is a continued improvement from last week so I feel very proud of the children trying their very best to come into school every day. Please ensure that you check the school's term dates before booking any holidays as no holidays will be authorised and penalty fines will be issued. The term dates can be found on the school website.

Have a lovely weekend.
