

KENSINGTON COMMUNITY PRIMARY SCHOOL NEWSLETTER

8TH JUNE - 12TH JUNE 2026

Dear Parents and Carers,

This week our assemblies focussed on the upcoming world cup. The assemblies looked at the history of the tournament, countries that are taking part and different awards that can be given to players including fair play and the younger player of the tournament. This week Year 1 children have been completing their Phonics checks and Year 4 their multiplication check, all children have tried their very best not only this week but throughout the year at home and in school and we are very proud of them for this.

Year 4 also began bikeability (which will continue into next week). It is such an important part of their education They will be taught to learn to ride a bike safely and if they are able to be taken out onto the roads and they will have to opportunity to develop their road sense.

Some of our Year 6 children have been on our annual residential to London this week, with visits to Legoland, the sights of London and then finally Kensington Palace on the last day. The children that stayed in school with Mr Paton, Miss Jefford and Miss Malek also got the opportunity to take part in a range of activities. Fun has been had by all!

Year 5 have had the opportunity to work with St Helens Rugby League today this is the first session with another one taking place next week. The children have been learning the rules and practising different skills.

Today we got to meet our new local PSCO called Umar Ali and he brought along his colleague Luke Gregory. They went out on to the Key stage 2 yard at lunchtime to meet the children and ask any questions they had. We are hopeful that we be able to make this a regular visit to help build relationships within our community.

This week's whole school attendance figure is 94.13%. This is an improvement from the last few weeks. It is vital that all children continue attending school everyday and on time as lots of exciting activities are happening between now and the summer holiday and we do not want anyone missing out on these experiences.

A reminder for parents to check the school's term dates before booking any holidays as no holidays will be authorised and penalty fines will be issued. The term dates can be found on the school website.

Mrs. K. Davies
