22<sup>ND</sup> JUNE - 26<sup>TH</sup> JUNE 2026

Dear Parents and Carers,

Firstly, I would like to say how proud I am of our students and staff for the resilience and positivity they have shown throughout this exceptionally warm and busy week.

The week started with our assemblies which focussed appreciating and recognising differences in people.

We also finally got to see the Year 6 performance of 'The Wizard of Oz' and if you came to see it I think you would agree how amazing all of the children were from Year 5 and 6 who performed on Tuesday night and Wednesday afternoon. I would like to say again thank you to all of the children and staff who put so much time and effort into the final performance.

Year 6 also got the opportunity to do primary inspirations today they were practicing their entrepreneurial skills designing and promoting shoes to sell.

Year 3 have enjoyed their week visiting Norton Priory in Runcorn linking with their science topic of bees. The children got to go around the walled garden, make a beeswax candle and explored the old abbey. The children were exceptionally behaved and children were able to consolidate the learning that has been taking place throughout the last half term.

Today the children got to meet their new teachers this is the first of our transition sessions, we have a full day next Wednesday and another half day the following week. This is an opportunity for the children and teacher to get to know one another before the start of the next academic year.

A reminder that Year 4,5,6 sports day is on Monday afternoon and years 2,3 sports day is on Tuesday morning.

This week's whole school attendance figure is 88.81%. This is obviously well below last weeks attendance, hopefully now that the weather is due to return to average temperatures next week this will return to closer to 97%.

I would continue to stress the importance for all children continue attending school everyday and on time as lots of exciting activities are happening between now and the summer holiday and we do not want anyone missing out on these experiences.

A reminder for parents to check the school's term dates before booking any holidays as no holidays will be authorised and penalty fines will be issued. The term dates can be found on the school website.
