

KENSINGTON COMMUNITY PRIMARY SCHOOL NEWSLETTER

29TH JUNE-3RD JULY 2026

Dear Parents and Carers,

Thank goodness it is a bit cooler this week, thank you to all those people who ensured their children were picked up as quickly as possible last Thursday when we had issues with the water. We know that this was a challenge especially for those who work.

On Monday the poet Joseph Roberts came to school to celebrate National Writing Day. He completed a number of workshops with the children. The children love working with Joseph and we hope that he inspires them to become even better writers.

Bully Busters came to work with our year six on their transition project. The children will soon be leaving our school and any transition activities will help this next step to be a positive one.

Sports days were held on Monday and Tuesday for the children in year 2 and 3 and 4, 5 and 6. The games / races were organised well and I would like to thank Mr Thomas, Mr Ashley and Mr McIntyre for doing such a great job. It was lovely to see so many parents coming and supporting their children.

On Thursday the Nursery visited Big Art in the Walker art gallery. The children did a range of different art activities and focused on underwater animals drawing and crafts. The trip is linked with their under the sea theme for this term. The children explored different materials freely, to develop their ideas about how to use them and what to make.

Today those children who are in Year 6 and did not go to London went on their own trip. The children were taken up Moel Famau. Many of our families will know this mountain as it is next to Colomendy camp. It was a very enjoyable day and it was great to share this experience with them.

This weeks attendance is 95.05% this is a massive improvement from last week and the highest percentage we have had in recent weeks. Keep bringing you child in school, on time everyday to ensure we can maintain this until the end of term!

Have a lovely weekend

Mrs. K. Davies - School Headteacher
