6TH JULY - 10TH JULY 2026

Dear Parents and Carers,

This week has been very busy and very hot and National sports week. All the classes have been decorating their doors and learning interesting facts about the different countries that are taking part in the world cup. They have had a super time and learned a lot.

On Tuesday Nursery had their sports day, it was not too hot on the day and the children had a great time. Well done to all who came and took part.

On Wednesday it was the last Impact after school club. All the children who have taken part have really enjoyed the activities. We are hoping to increase the number of children that this will be open to next year.

On Thursday it was parent's evening, thank you to all the parents who came and picked up their children's report and stayed to look at their books. The children love you to see how much progress they have made over the year. We are particularly pleased with the progress in writing and handwriting we hope that you are too.

Today year 5 went into the city and took part in the old Dock tour the children were exceptionally well behaved and they were able to ask and answer lots of interesting and probing questions. Well done Year 5.

This week's whole school attendance figure is 92.52% This is a big dip from the week before which is disappointing. Please can I remind parents that our school have twilights for staff instead of INSET days and this is so that we can finish early so that if people wish to get a flight which is cheaper for a holiday or to return to home country they can. I hope that people will make sure that this does not happen again as fines will be issued in line with government guidance.

Have a lovely weekend.
