2ND -6TH NOVEMBER 2026

Dear Parents and Carers,

This week in assemblies we focussed on Bonfire night and the history related to why we celebrate on the 5th November. The children listened carefully to the story and how important it was to ensure that our houses of parliament survived.

On Tuesday Year 6 had Primary inspirations and they had to design and make hats. The roles that they had in the groups included an advertising manager a data controller and a pattern designer. The winning team was the busy bunch. Well done to you all for doing such a great job.

On Thursday year 5 had Primary Inspirations and they all had to take a role in developing a chocolate box to go to market. Each child in a group took on a special role such as an accountant or a buyer. Well done to the Valentine group who were the eventual winner. Mr Bailey said that all the children worked really collaboratively, they were kind because they listened to each other's ideas, Proud of the products that they produced and showed that by being collaborative they could also be successful.

On Friday Year 5 started to complete this year's Bikeability I hope that the children have enjoyed learning how to manoeuvre their bike safely ready to go out on the roads.

This week's whole school attendance figure is 94.84%, which is significantly more than week before half term. The children who attend regularly always achieve the best results in reading, writing and maths. We must keep striving for the government target of 97%. Remember if your child is not going to be in school you must contact school to inform of us of the reason, you may be asked to provide evidence to support this absence. Holidays will not be authorised and will be subject to a fixed penalty fine.

I hope you all have a lovely weekend and enjoy family time.

mrs. k. Davies
