

Kensington Community Primary School Newsletter

11th September 2023—15th September 2023

Dear parents and carers,

This week in assembly we focused on all the rewards that are available to children who are able to follow our school rules, come into school on time, everyday, and work hard and earn team points.

It is important that we recognise when children are able to demonstrate that they have listened and worked hard to do what is right.

All children from year 1 to year 6 have now been given their reading book and will be able to start working towards gaining the first colour on their reading rainbow. Myself and Mrs Berry will be regularly dropping into classes to hear children read, so make sure you bring your book bag in each and every day, so that you are ready to be chosen.

Children have been given club letters today. Slips will only be collected from Monday, 18th September, to give those children who walk home alone or are picked up by someone other than a parent a chance to return their letter and have the same opportunities of getting into the clubs they want. Clubs will be allocated next week and they will start the week commencing Monday, 25th September. Once a club has been allocated to your child please remember what day it is and what time it finishes.

Can I also let all parents know that the children have been told that they should not bring any toys into school. This includes Pokémon cards. Please keep them at home where they can be kept safe.

A parent has said that Prime drinks have been seen on the yard before and after school. Please be aware that these drinks are full of sugar and caffeine and are not good for your children.

Have a lovely weekend,

Mrs. K. Davies

Flu Immunization

This is a message from the NHS Health Team:

Dear Parent/Carer.

It's not too late. Today (Friday 15th September) is your final day to let us know your wishes with regards to your child receiving or not receiving their recommended nasal flu spray or injectable flu immunisation at school.

Many thanks to parents/carers who have already completed your child's form. If you haven't yet we really would appreciate your help with completing their form today to ensure we know your wishes and ensure we are using our NHS services efficiently. Last year nearly 60% of parents **didn't** complete their child's forms before the deadline date resulting in them receiving further follow up calls, letters and texts from the service which we know can be annoying. To avoid this happening please complete their flu form today with a YES or NO at this link <https://econsent.merseycare.nhs.uk/>

It's important to remember Flu can be a really unpleasant illness and sometimes causes serious complications. Vaccinating your child will help to protect them as well as more vulnerable family and friends by preventing the spread of flu this year.

If you require any help or have any questions please contact the immunisation team on 0151 295 3833 who will be happy to help.
