

Kensington Community Primary School Newsletter

18th September 2023—22nd September 2023

Dear parents and carers,

This week we have been settling into some great work. The children have been impressing their teachers with their concentration levels and their determination to do well this year.

In Monday's assembly we revisited what anti-bullying. We talked about how we can prevent bullying in our school by telling staff members when something happens, on the yard in the classroom or online. We talked about using the adults and friends on our safe hands to help us so we can tell people that we feel we can trust the most.

We also talked about the importance of kindness and that when people are kind to one another there are less likely to be incidents of bullying. I hope that we will see lots of tags on the kindness tree.

A message went out to all parents reminding them that children should come into school everyday in their school uniform and that they should bring their PE kit into school in a bag and change when they are here. You are able to wear any shorts or T-shirt but it must not be a football kit.

I hope that the weather will be less changeable over the weekend and that you enjoy your time together as a family.

Mrs. K. Davies
