

Kensington Community Primary School Newsletter

25th September 2023—29th September 2023

Dear parents and carers,

This week the children have been focusing on mathematics in preparation for the city-wide maths party today.

On Monday in assembly, we read a book called “A Mathematician Like Me” and it highlighted how many different ways we use mathematics in our lives. Our children have been thinking about how they use maths in their lives and not just the maths they do in school.

I have been very pleased to see so many more children bringing in PE kit to school so that they can take part in their lessons wearing the most appropriate clothing. Remember any T-shirt and shorts except a football kit.

I would also like to ensure that all our parents know how impressed the staff have been with the children’s general behaviour on their return to school. The children have been demonstrating wonderful walking around school and super sitting in the classrooms and the hall. Well done to everyone for making our school a much nicer place to be this year.

On Monday I also let the children know that the children with a 100% attendance each week will receive an ice cream or an ice lolly early next week. This will happen for every child who has 100% attendance each week. So, remember to be in school, on time, every day, to get your reward.

I hope you all have a lovely weekend
