

# Kensington Community Primary School Newsletter

2nd October 2023—6th October 2023

Dear parents and carers,

This week we started by reading about worries in Monday's assembly. We wanted all our children to know that if they have a worry, they are able to tell the people in school and they will help them with it.

The message was that all children have different worries at different times and that if they share their worry with an adult, it will not get bigger and bigger. We have encouraged children to share their worries with you as parents as well. I hope that this will help our children become more confident and develop the relationships that pupils and staff have.

I would like to reiterate the importance of bringing a PE kit into school. Please check which day your child has PE and ensure that they have a T-Shirt and a pair of shorts to change into.

On Tuesday the police came to visit the Early Years Foundation Stage as part of the people who help us topic the children as always listened carefully to all the different things that the police do to help the community. The behaviour was excellent at all times.

On Wednesday the Girls had a football match against Kingsley Primary School. They played really well but conceded two late goals to lose the match 3-1. I know that Miss Moran and Miss Cleary were really pleased with their effort and are looking forward to the next game.

I hope that you all have a lovely weekend
