16th October 2023—20th October 2023

Dear parents and carers,

October is Black History Month and over the last couple of weeks the children have been looking at some of the great black role models we have in our country and around the world. To support the children's understanding of the importance of celebrating diversity. Monday's assembly story focussed on how differences can be good and what a boring world this would be if we were all the same.

Year 3 went to the World Museum this week. They went to find out about the Egyptians which is their history topic. They were able to go to the Egyptian part of the museum and see the artefacts that are there. We were really pleased with the children's behaviour and they asked some great questions to support their learning.

This week Year 5 had some sessions with MYBNK. The children were learning the importance of saving and how this can help them to manage their money. Saving a little each month soon builds up!

The boys played a couple of matches last week and they won one and lost one. Keep on trying boys you are doing really well. The girls team played on Wednesday and they had another great win. They were all really pleased with the win but more importantly the teacher from the other school came to speak to Miss Moran to congratulate her on having such a lovely group of girls and how sporting they were to the losing team.

As there have been lots of children off school this week can I remind parents that if your child is feeling better but still needs to take medication, please fill in a form at the office and we will be able to administer it to them. Let's make sure we have as many children in school, on time, every day.

I hope that the weather improves for the weekend and you have a lovely time with your families.
