

Kensington Community Primary School Newsletter

6th November 2023—10th November 2023

Dear parents and carers,

Welcome back!

We all hope that you had a lovely half term break even if it was a bit of a wet one.

This week the focus for our assemblies on Monday was caring. This is an IB learner skill that we want the children to develop over their time in our school. We want the children to show empathy, compassion and respect and to act to make a positive difference in the lives of others. We read biographical stories about two women who are good role models for caring Florence Nightingale and Marie Curie. The children listened carefully and thought about that the impact that these women had on our lives today.

Year 6 went to the university of Liverpool on Wednesday to be “Students of The Future” the children were shown around the university campus and allowed to experience student life. In the afternoon the children took part in a series of scientific experiments. The children were very well behaved and thoroughly enjoyed the time they had at the Uni. I hope that the children will be inspired to aim high for their future.

On Thursday two small teams of year 5 footballers took part in a football tournament run by Liverpool FC Academy. The teams were very determined and played well all afternoon. One of the teams came second only to a team that was older than them. What an achievement!

Finally, Can I ask all parents to speak to their children about Stranger Danger. We do this a lot in school but it always needs to be reinforced by you at home. We think this is especially important as now the nights are getting darker and it may not be as safe to walk home on their own from school or after school clubs.

I wish you all a happy and restful weekend.

Mrs. K. Davies

This Week

Year 6 Liverpool University Visit

This week, year 6 visited the University of Liverpool as part of the Students of the Future Roadshow. The children had the opportunity to explore the campus and learn about what life in university is all about. This gave everyone a great insight into the options and opportunities available to them in the future. We also took part in their Spooky Science activities, such as making spooky potions and extracting DNA.

Gold Star Award

RP—Oliver Dabrowski

RB—Payman Shaikho

RD—Mihira Padam

1AB—Hibba Amir

1SB— Samar Shah /
Leveah Belgrave

1O—Priam Nako

2B—Celine Azzouz

2S—Edom Gebeyehu

2H—Qasim Khalil Muhammad

3HS—Summer Daniels

3C—Vicky Eromosele

3S—Grace Ukaegbu

4C—Shyda Shaikho
