13th November 2023

Dear Parents,

This year we are taking part in **Children in Need** activities on Friday 17th November. This year the theme is 'Together we can' which aims to show disadvantaged children that they are not alone.

We know that children in need support many of the groups in our local area and feel this year we should fundraise for them during this difficult time.

This year we are asking all children to wear something spotty. So together we can be spotacular! We would ask you to make a small donation of 50p so that you can take part and raise money to support causes in our local area.

I'm sure that you will all encourage your children to take part and help raise money for a very worthwhile cause.

Yours sincerely

Mrs. K. Davies
