

# FGM Scenario Cards

Abi has heard that someone she knows is going abroad for a "celebration" over the summer. She is worried that her family might be arranging for her to have FGM. What can she do?

Joy has noticed her friend no longer wants to do sports. She is worried this may be because she has had FGM. What can she do?

Aisha seems very quiet and withdrawn since the summer holidays and is not like she was in Year 6. What could the reasons be?

Adina has started her periods and is in a lot of pain. She is going to the toilet a lot and doesn't look comfortable when she walks. What could the reasons be?

Chris is good friends with Hani. He notices she is in pain between her legs but is embarrassed to ask her what is wrong. What could he do to help?
