

Kensington Community Primary School Newsletter

8th January 2024—12th January 2024

Dear parents and carers,

Welcome back and Happy New Year! I hope that you have all had a lovely holiday and have been able to spend some time enjoying yourselves with your family.

On Monday we came together as a whole school for the first time for a while. I talked to the children about the importance of thinking of others at all times. I focused on how it is important that we do things that help us to be happy but that we must be aware that doing things that we want to do or say must not hurt or cause distress to others.

We will focus on the importance of being kind for the whole of this term and beyond. This can be simply by following the class rules so that everyone feels safe and cared for in their classroom or it could be by caring for someone who is not feeling at their best.

I know that the children really listened because I have seen so many children following simple instructions and helping their friends to do the right thing.

I have also been pleased to hear that the teachers feel that the children have returned to school with a very positive attitude towards their learning and many are showing a "can do" attitude.

You will all receive your child's progress report today except for 1AB as Miss Butler has been unwell this week. Those in 1AB will receive their progress reports as soon as possible after Miss Butler returns. I know that a lot of parents will take this as an opportunity to speak to their children about the progress they are making and the effort they are putting into their school work.

Have a lovely weekend and keep warm,

Mrs. K. Davies
