

SAFEGUARDING RESOURCE HUB

What is the Safeguarding Resource Hub?

- A free online directory with links to hundreds of key national resources
- Quick and easy to use
- Free to all children, young people, adults, parents and carers, and professionals
- Targeted resources for each usergroup
- Empowers everyone to find the advice and guidance they might need

“ The safeguarding resource hub is great. It's very easy to use and navigate. It makes a huge difference having all the key national safeguarding resources in one place. It's now the first place we go to find a resource. - Headteacher ”
