

Kensington Community Primary School Newsletter

15th January 2024—19th January 2024

Dear parents and carers,

Well, what a week!

On Monday our Assemblies focussed on anti-bullying and how being kind to people was so very important in being a happy school community. We want our children to tell if anything happens in class or on the playground so that we can make sure that it is dealt with quickly and effectively.

After school on Monday children went to Wavertree for a new age Kurling competition and once again our team came out on top. Well done to all those children who took part.

On Tuesday of course the snow came and made our city a winter wonderland. However, the snow has over the week turned from being soft and fluffy to ice and being very dangerous. I would like to praise the children for the behaviour this week as they have managed very well even though they have not been able to go out all week.

Today we have had assemblies for the whole of Key Stage 2 from Bullybusters. It is really important that children understand and recognise what bullying is and how they can be part of the solution to get rid of any bullying. I hope that the children will work together so that we are able to have a positive playground and school environment at all times.

Enjoy the weekend and keep warm,

Mrs. K. Davies
