

Kensington Community Primary School Newsletter

19th February 2024—23rd February 2024

Dear parents and carers,

Welcome back, we hope that you have all had a lovely break and have had chance to spend some time together as a family.

On Monday's assemblies we focussed on kindness and the importance of listening to what others say including our parents. In Key Stage 2 we discussed why it is important to listen carefully especially when our parents ask us to do things that we don't want to do but, they have our best interest at heart so we should listen to help keep ourselves safe.

On Tuesday there was great excitement with the children and the adults because the eggs and incubators have arrived the children will be looking after the eggs and making sure that they look after them in the hope that very soon we will have plenty of chicks to look after in their first days and weeks of life. I will keep you informed as to when the first chicks arrive.

Year 6 also did an assembly on Tuesday morning for Key Stage 2. They have been working with Natalie from Bullybusters and they were able to create their own antibullying assembly to help support all our children. They were quite nervous but I know that Natalie and their class teachers were all very proud of what they produced.

On Wednesday Year 6 took part in their latest Primary Inspirations activity "Battle of the Bands". The children had to create their own name, tour dates across Europe, Album cover and merchandise. This task was to help them recognise the different skills that are needed in business and how enterprising they could be to create the best package.

On Wednesday afterschool we had our RSE presentation and drop in. Thank you to all those parents who came and listened to Miss Cleary and asked questions about the upcoming lessons. Please don't forget that all the lessons and resources that are going to be used are on the website and available to be looked at. You can ring or email school with any queries that you have.

Finally, from now on each week I am going to include the whole school attendance figures on the newsletter. This is so that you are able to see where the school is in relation to the 97% National Government expectation for attendance. As you know those who have 97% or over attendance make much better and more consistent progress in their education. We want all our children to get into good attendance habits so that they are prepared for each step of their life including secondary school and work. Your individual class attendance figure will continue to be put on your class page on the website every Monday morning.

This week's whole school attendance figure is 93.41%. I hope that we can improve on this for next week and reach that all important figure of 97%.

I hope that you all have a lovely restful weekend
