26th February 2024—1st March 2024

Dear parents and carers,

This week in assemblies we have read stories to the children about the importance of telling the truth at all times and about sharing worries that they have with a trusted person. We hope that the children listen to the messages that the stories are giving them so that they are able to make good choices as they go through school and beyond.

Every day this week the children in year 5 and 6 have been completing the bikeability course. The children really enjoy being able to take part in this and progress with the ability to ride bike on road. They are taken through their paces by trained support and we are very pleased with all those who have completed the course so far.

On Tuesday RB went to Imagine that and experienced role play as lots of different things fire fighter Pizza makers and lots of other exciting jobs too. Mr Briggs was particularly pleased with the behaviour of his class and he gave them all the gold star certificate for being so well behaved.

Miss Owen held Phonics meeting for the parents of Year 1. The year 1 children have a phonics check in June and Miss Owen wanted the parents to have as much knowledge on how to help their children to achieve the expected standard. Thank you to all those parents who came to the meeting. We are sure that the knowledge you have will now be able to support your child even better than before.

This week's whole school attendance figure is 92.33%. This is lower than last week which is really disappointing. I hope that we can improve on this for next week and reach that all important figure of 97%. Remember all children should be in school, on time, every day.

Have a lovely weekend and we will see you all on Monday at 8.50am
