18th March 2024—22nd March 2024

Dear parents and carers,

What a jam-packed week we have had this week. This week it has been RSE week a week where we focus on different relationships and learn how to keep ourselves safe. I have been impressed with how sensible the children have been and how they have been able to discuss issues openly and without any prejudice.

On Wednesday and Thursday, we had a visit from Ofsted. There were three inspectors led by a HMI officer. The inspectors visited different year groups, spoke to children, parents, teachers and governors to gather evidence to make judgements about 5 different areas of school, Quality of Education, Behaviour and Attitudes, Personal Development, Early years and leadership and Management. The inspectors then use their findings to make an overall judgement about the school. This judgement will be published after it has been quality assured by the main Ofsted office and at that point, we will be able to share the findings and judgements made.

On Wednesday and Friday, the Nursery had trips to Speke Hall because they have been reading *The Smartest Giant in Town* and they wanted to follow the giants Trail and see if they could find a giant of their own. The children had a fabulous time and were really well behaved.

On Thursday evening we were so pleased to see so many parents for our Spring Parents Evening. We love seeing you and being able to share all of the success that your children have in our school. If you were unable to attend, please contact the class teacher to make an appointment at a convenient time.

Finally, this week's whole school attendance figure is 93.49%. We managed to improve our attendance this week and I hope that with all the lovely Easter activities we have planned that this will be even better next week. Remember all children should be in school, on time, every day.

I hope that you all have a lovely week end and we will see all the children on Monday for the last week of term.
