

Kensington Community Primary School Newsletter

22nd April 2024—26th April 2024

Dear parents and carers,

This Monday we had two different assemblies Key stage 1 was focused on a story which taught the children about the importance of perseverance and not giving up even when you find something difficult. Key Stage 2's assembly was taken by Mr Thomas our Year 5 teacher who is our PE Lead. Mr Thomas explained that as part of their PE lessons next week the children will all be running, jogging and walking 2.5 miles and that this will add up to a Mini London Marathon. The children know that this will need them to be resilient to finish and not give up.

On Wednesday myself and Miss Tierney attended the "Reach Out" graduation ceremony. It was great to see those children that had taken part in the reach out sessions every Wednesday after school since October get the recognition they deserved. Many of the children won special prizes and were celebrated for the progress they had made during the sessions they attended. Well done everyone who took part.

Over this week year three have been on trips to visit Croxteth Farm to support their Opening Worlds topic on agriculture. The children really enjoyed sharing the vocabulary they had already learned with the staff at the farm and they were able to listen to the farm hands at Croxteth to understand how farms work and the importance of farming in our country. A special mention about the behaviour of the children as they really represented our school well and this has been commented on by the staff that took them.

Finally, this week's whole school attendance figure is 94.8%. We managed to improve our attendance this week and I hope that this will continue to improve over the next couple of weeks. Remember all children should be in school, on time, every day.

Have a lovely weekend

Mrs. K. Davies
