7th May 2024—10th May 2024

Dear parents and carers,

It has been a short week this week but so much has happened in school. Wednesday was a very busy day, Reception had their stay and read in the morning which was very well attended. It was lovely to see so many of our parents joining in with their children's learning.

After that the whole school came together for a road safety assembly delivered by Jenny from the Colleran Trust. You will all remember we take part in "Wear Blue for Bobby" in March. The children listened attentively and Jenny even rang Miss Gilmore today to say how impressed she was with the children and their behaviour when they were altogether in the hall. It makes us all super proud when the children are praised in this way.

After school the girls football team had their first match in the summer league. Well done to them all as they won the match 3-1. They are starting the way they left off from their last title race. Keep it up girls!

On Thursday we had a mixed cricket team play once more in the league. Unfortunately, it was a loss this week but I am so proud as this is the first time that we have taken part in this competition, so they really are doing very well learning all the skills and tactics. Keep going team!

Finally, this week's whole school attendance figure is 95.41%. We managed to improve our attendance this week but I still think we can improve much further I would still love to reach that magic 97% target. Remember all children should be in school, on time, every day.
