

Kensington Community Primary School Newsletter

22nd April 2024—26th April 2024

Dear parents and carers,

This week our assemblies focussed on two things; Key Stage 1 looked at joy and how important it is to look for the joy in the world. Key Stage 2's assembly looked at fear and how a fear can be reduced by speaking to others and taking risks to challenge yourself.

On Monday the children in 2S welcomed the Archaeologist from the university. The children had heard the other children in the year group talking about when he had been in the week before and were excited for this lesson. Once again, the children listened attentively to what was being said and contributed well to the discussions.

On Tuesday the children all had their school photos taken. They were very sensible waiting for their turn and going to get their brothers and sisters to have their family photos taken. I look forward to seeing the photos.

On Wednesday it was National Numeracy Day and all the children had the opportunity to join a live webinar lesson. We know how important numeracy and mathematics are in everyday life so it is important that the children try hard to develop their skills.

Unfortunately, most of our sporting competitions were cancelled this week due to the weather. However, the boy's football team are playing tonight against Kingsley and St Cleopas. Let's wish them good luck in both of their games.

This week our Reception and Year 6 children have been taking part in the "Growing Up in Liverpool" project where they have been discussing what they would like to see in our city to make it an ideal place to grow up in. When the project is complete the children's ideas will become part of a museum installation.

This week's whole school attendance figure is 94.56%. Unfortunately, this is less than the previous week. I really want to reach that magic 97% target. Remember all children should be in school, on time, every day.

Next week is half term and I hope that the weather is so much better than it has been this week. I hope that you get to enjoy some quality time with the children. Please remember that there are lots of free activities available to parents over this holiday, just google free things to do in Liverpool. You will be surprised what's available to do.

See you on Monday 3rd June.

Mrs. K. Davies
