17th June 2024—21st June 2024

Dear parents and carers,

This week we have been highlighting Refugee Week. Mrs Davies and Mrs Berry did assemblies that focussed on the impact of being a refugee and highlighting famous people who were refugees themselves including Bob Marley, Freddie Mercury and Rita Ora. The children have been taking part in activities all week around the theme 'Our Home'.

This week was the start of our Sports days Year 2 children took part in a variety of sports. All children showed great sportsmanship and we look forward to the rest of our Sports days in the next few weeks. Can we ask parents to look out for letters and information regarding these as these will be happening in between now and the end of term.

Year 6 have been working hard practising for our end of year performance of Moana. This will be taking place next week with the evening performance on Wednesday 26th June and the afternoon performance on 27th June. Tickets can be bought from the office for £1.

Year 2 have visited Ainsdale beach this week to further our learning in Geography about 'Why we like to be beside the seaside'. The children were so well behaved but they also learnt so much and had in depth discussions about the pros and cons of their topic.

This week was the beginning of a four week project 'Be free Mental Health'. The first week covers mental health and wellbeing definitions, 7 ways to wellbeing and strategies to improve mental health.

The girls football team were victorious with a 1-0 win against St Patricks on Wednesday after school. The teams evening got even better when they got to meet Nikita Paris who plays for Manchester United.

Good luck to our football team who are playing St Michaels Primary tonight.

This week's whole school attendance figure is 92.48%. Unfortunately, this is less than the previous week. I really want to reach that magic 97% target. Remember all children should be in school, on time, every day.

I hope you all have a lovely weekend. See you all on Monday!
